## Says

What have we heard them say? What can we imagine them saying?

> store and product your data get started for free reliable &secure cloud storage

scale demand so you have the storage you need when you need it

you imagine what you desire you will what you imagine and at last you create what you will share this quote

imagination is the begining of creation

Postures, moments, nonverbal

and verbal behaviour all can

be abserved.

watching people, seeing their behaviors, loking at their perfomance is interesting for many reason.

Inspire yourself.read or look at other

people's work and create some twists and turns in it.

Does

What behavior have we observed? What can we imagine them doing?

What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?

I have many hopes and dreams for the future, some i have made open to the public and some are just beetween me and jesus chirst my lard and savior

Those i will not be able to tell you but as for the others,i can tell you that they are to grow eached day.that is the first step

Emotion can have a significant in pact on our though and behaviour

Here are a few ways that emotions can influence us.

AGRICULTURE

While many people think anxiety immediately leads to feelings of angry,it usually leads to frustration first.

Emotions can also affect our behaviour directly, as in the case of aggression,or behavior that is focused on hurting others.

If not properly managed, anxiety may make an indididual frusrated about the circustances or the people involed.

**Feels** 

What are their fears, frustrations, and anxieties? What other feelings might influence their behavior?
